

Welcome to Rosecraddoc Manor

This property is pet friendly; however we do ask that pets are kept off the beds and soft furnishings please.

Dogs are not to be left on their own within the properties unless in a cage.

Please clean up any dog waste and dispose of appropriately. You will find a **red** bin specifically for this on the outside of the rubbish shed (located just off the main courtyard)

Pets are welcome around the lake and the estate but please do keep them on the lead at all times.

Our woods adjacent to the manor are the ideal location to take dogs for a walk and to let them off the lead.
(Turn right out of the main gates and the walk up the road where you will find the entrance to the woods on the right, alternatively just before leaving the gates, there is a pathway on the right that leads you direct into the wood)

Well-behaved dogs are welcome at the Village Inn in our upstairs area, subject to availability.

We hope you enjoy your stay.
